Terms & Conditions

When you place an order, you agree to our Terms and Conditions, as follows:

The term 'Windy Smithy' or 'us' or 'our' or 'we' refers to Sole Trader, Jon Snow, whose registered office is Bishops Plot, Blackborough, Cullompton, EX15 2HY. The term 'you' refers to the user or viewer of our website, or any purchaser of our goods and services.

Quotations

Quotations are submitted on the understanding that goods supplied will be invoiced at prices ruling at the date of despatch unless otherwise agreed in writing.

Breakages & Returns

We pack everything very well & ship promptly – its much easier that way. We use re-cycled packaging wherever possible. In the unlikely event that something arrives to you and it's not in perfect condition we will refund your money or replace your goods without question, but with the following conditions:

- * You inspect your order when you receive it
- * You sign for your order where applicable. Do not sign for your order until you have made sure that you are signing for the number of packages present, and that all goods therein are undamaged. Otherwise sign for the delivery as 'unchecked', 'damaged' or 'incomplete'. If anything is damaged please let us know as soon as possible.
- * You let us know within 24 hours of any damage or something you are unhappy with. (e-mail: windysmithy@googlemail.com or phone: 07866 241783)
- * You may be asked for a digital photograph of any damage.
- * The decision whether to refund or replace is ultimately ours.
- * If you want to send something back to us because you don't like it, then unfortunately you have to pay the carriage both ways. (we are of course happy to answer as many questions as you need before you purchase)

Faulty or incorrect goods

If you find that an item is faulty in manufacture, please let us know as soon as possible and we will send you replacement(s) free of charge. You have up to 30 days from receipt of the goods to let us know that they are faulty. Where it is clear that the parts were faulty when you received them we will send replacements or repair the item free of charge as soon as possible. This is in addition to the manufacturer's guarantee/warranty. Damage in transit is not the same as faulty goods.

Please contact us first if you receive faulty goods - we will not pay for replacement parts or for repair services arranged without our consent.

If incorrect parts have been sent, please let us know as soon as possible and we will send replacement parts free of charge as soon as we can. We will usually arrange collection of the incorrect parts at the same time. Sometimes we may ask if you would be willing to send the incorrect parts back to us in which case we would of course refund the cost of sending those parts back to us to you as well.

Items out of stock

If something is out of stock, we will let you know as soon as we can. We will usually let you know before you place your order. Often we can arrange to have the missing item sent out as soon as it comes into stock, or you may wish to have the whole order sent a little later but complete. Sometimes we will arrange for substitute items to be sent out if that's ok with you. If you would like to cancel your order because something is out of stock then you can do so.

Goods lost in transit

If goods are lost in transit then please let us know as soon as possible. We will then chase up the delivery and if it cannot be found we will send out replacements free of charge. If the goods have been lost in transit, then you can of course cancel the order if you so wish.

Refunds

We will refund you for cancelled orders within 30 days of the order being cancelled. We will refund by cheque sent by first class post.

To cancel an order

You can return any goods to us within 7 days of receiving the goods. The only exceptions to this rule is custom made products, specified by yourself. If you cancel the order then it is up to you to return the goods to us - we can of course make some suggestions as to carriers that you might choose to use. While you have the goods and while they are in transit, it is your responsibility to take reasonable care of them. If they arrive back to us damaged then this will have to be taken into account. For this reason we recommend that you make sure that the goods are sufficiently insured for their return journey to us.

To cancel an order, simply contact us.

Delivery

You will need to give us a daytime delivery address, with access for a couriers truck or van, and in most cases the delivery will need to be signed for. We will need a daytime contact number for the driver, in case of any difficulty. The delivery driver will (as far as possible) deliver to your door. The delivery driver will not help you inside with the goods. If a driver is particularly helpful and you persuade them to help you take goods inside then you do so at your own risk. For example if your floor is damaged then this is your responsibility, rather than ours or the driver's. If you do not agree to this, please do not ask the driver for help with taking goods inside.

Redeliveries

If a parcel has to be redelivered because there is nobody to accept the delivery on the arranged date, then a redelivery charge may be due. We will contact you if this is the case.

Late Deliveries

Delays whilst in transit are possible and are out of our control. Please let us know if your order has not arrived and we will chase it up for you. For this reason, we recommend that you ensure that you have all the goods first before booking in installers or builders.

We are not liable for any costs incurred by you, or any loss of earnings. For example, if a delivery is late and you have to rebook an installer, then we are not liable for any extra charges that installer may charge you. Nor are we liable for any loss of earnings as a result of you taking time off work to accept a delivery, even if it is late.
