

Louis

***This is our original stove, the popular Louis, made here since 1998.
Easy to light, quick to warm up, and with the power to stay in through
the longest Winters' night, this incredible stove has transformed the
lives of many people.***

The Louis has been tried and tested in many diverse spaces, and is recommended for Yurts 14'-16', Caravans 13'-18', Shepherds' Huts 12'-16', Sheds, Benders, Summer Houses, large Vans, small Trucks, Domes, Boats, Tipis, Roundhouses, Treehouses and more besides.
